Assembly and use

p-marc Beach Sports Scoreboard

Block A explains the complete main assembly with the standard clamp. If you selected the clamp for larger posts, block B covers only its specific fastening method.

If you selected both clamps, use the procedure for the type of post where you will install the scoreboard.

A · COMPLETE ASSEMBLY · STANDARD CLAMP

Follow all of block A until the scoreboard is secure and aligned.

B · CLAMP FOR LARGER POSTS

This block covers only this clamp's specific fastening method. Fitting the scoreboard is already explained in A.

C · SET MARKERS

Fit the pink and blue markers and learn how to show a set won.

D · REAR SUPPORTS

Find the rear slots and fit both supports.

> **IMPORTANT**
>
> Always tighten the screws by hand and do not force them.

Assembly and use

p-marc Beach Sports Scoreboard

A · COMPLETE ASSEMBLY · STANDARD CLAMP

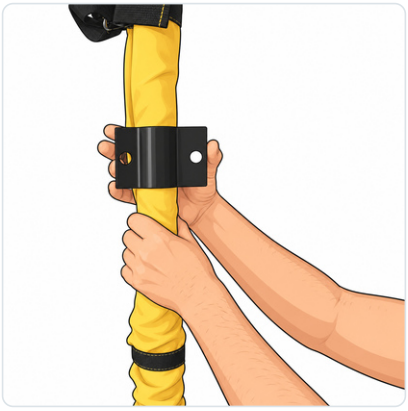

If you selected the standard clamp:

STEP 1

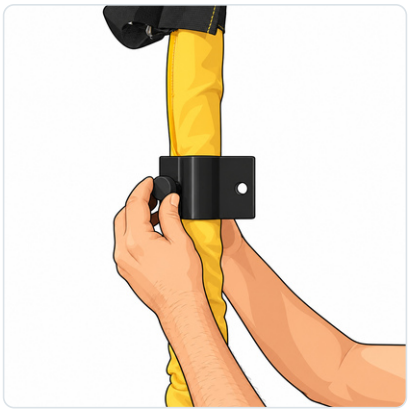

Bring the standard clamp up to the post.

STEP 2

Place it around the post and align the holes.

STEP 3

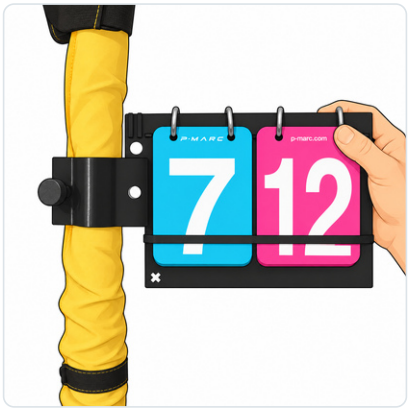

Insert the fixing screw and start turning it.

STEP 4

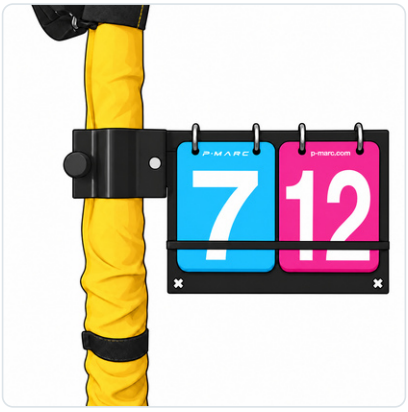

Tighten the screw.

STEP 5

Insert the scoreboard vertically into the slot in the clamp.

STEP 6

Slide it until it is fully fitted and properly aligned.

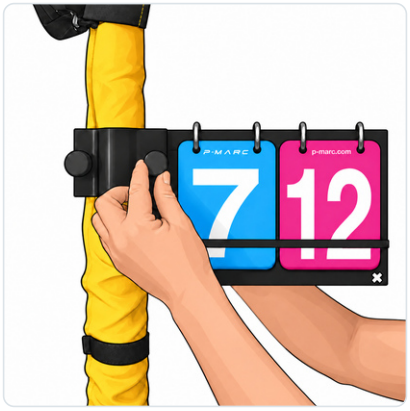

Assembly and use

p-marc Beach Sports Scoreboard

A · COMPLETE ASSEMBLY · STANDARD CLAMP · continued

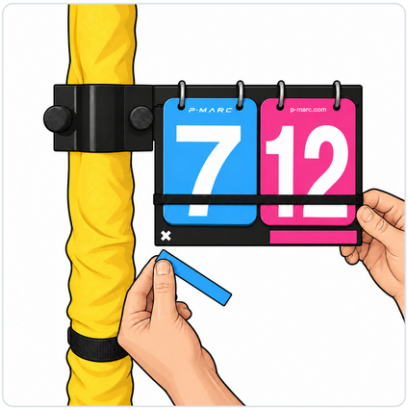

If you selected the standard clamp:

STEP 7

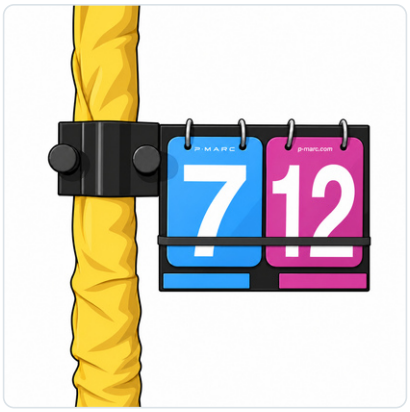

For extra support, add the second screw and tighten it.

STEP 8

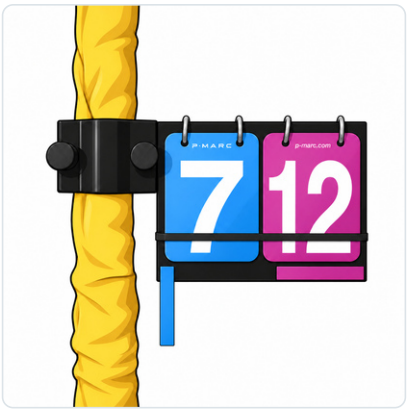

Fit a set marker into the hole below the numbers.

STEP 9

Place both set markers horizontally below the numbers.

STEP 10

To show a set won, remove the relevant team's set marker and refit it vertically.

Assembly and use

B · CLAMP FOR LARGER POSTS

If you selected the clamp for larger posts:

STEP 1

Thread the hook-and-loop strap through one clamp handle, with the slot facing upwards, as shown.

STEP 2

Fold the strap back onto itself and secure it firmly around the handle you threaded it through.

STEP 3

Place the clamp next to the post and wrap the strap all the way around the post.

STEP 4

Thread the free end through the other handle and pull firmly until the clamp fits snugly around the post.

STEP 5

Fasten the strap onto itself. The clamp is securely attached to the post and ready to use.

C · SET MARKERS

Fitting both markers and using them to show a set won.

STEP 1

Find the set marker mounting area below the numbers.

STEP 2

Find the small holes where each set marker fits.

STEP 3

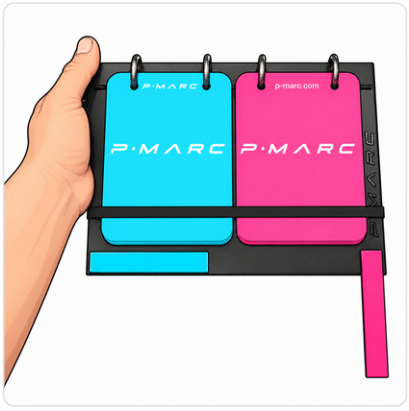

Identify the two set markers, one for each colour.

STEP 4

Fit each marker into its hole and place it horizontally below the numbers.

STEP 5

To show a set won, remove the relevant team's marker and refit it vertically.

D · REAR SUPPORTS

Fitting the supports from the back of the scoreboard.

STEP 1

Identify the back of the scoreboard, the side without the logo.

STEP 2

Find the small rectangular slots on the right and left.

STEP 3

Identify the two hanger pieces.

STEP 4

Insert each hanger from the back into its rectangular slot until it fits securely.
